

It's a Gold Star Children's Retreat!!!

What is a Gold Star Family – A family member who died during the war.

In coordination with the Fort Irwin Army Base, the weekend of October 20th – Oct 22nd FFAM will be hosting its 2nd Annual Gold Star Children's Retreat and Fishing Derby in Lake Arrowhead! Because the response has been so positive, we needed to rent another house to help house the family members participating (picture where the kids can run through the woods).
